

COMPANY PROFILE

KALP is an affiliate of “K” Line, one of the worlds largest Car Carrier operators which offers comprehensive automotive logistics solutions for many of the world’s leading automotive manufacturers, importers, fleet operators and local dealerships.

As a member of Team Rayomar, KALP is able to provide integrated auto-logistics supply chain services such as vessel discharge & inspection, customs clearance, vehicle processing, storage & detailing, PDI services, and transport & distribution. This strong synergy enables seamless vessel to dealer transfer for our customers. Our storage yard and PDI facility is strategically located between the main CBU port of Batangas and the main car dealerships in Metro Manila and Central Luzon. KALP is likewise able to offer services from ports in Manila, Subic and Cebu as well as arrange for regional deliveries to the Visayas and Mindanao.

Automotive Logistics Supply Chain

Aside from standard processes, KALP also offers customized handling, installation and detailing of vehicles for the Philippine market. Our team of auto specialists can assist OEM manufacturers in meeting the specifications of their most demanding clients. You can consider us as your reliable partner in *driving quality* through the logistics supply chain.
