

COMPANY PROFILE

“**K**” **LINE MARITIME ACADEMY PHILS. (KLMA Phils.)** is a member of Rayomar Management Inc.’s group of companies. Rayomar, one of the country’s progressive investment and management entity since 1980, has operation and ownership of several companies involved in shipping, crewing, logistics, freight forwarding and international trading.

KLMA Phils, formerly known as “**K**” Line Maritime Training Corporation (KMTC) and established on April 23, 1993 as an in-house training center for the **Kawasaki Kisen Kaisha Ltd. (“**K**” Line) Group**, was inaugurated in Feb. 28, 2008. The change in company name, as demanded by the introduction of the KLMA Concept for “**K**” Line’s global education system, is aligned with “**K**” Line Vision 2008+. KLMA Phils is part of the five (5) “**K**” Line Maritime Academies’ network around the globe, In January 2009, “**K**” Line invited Rayomar Management Inc. to be its Filipino counterpart for KLMA Phils business operation.

“**K**” Line, with its compelling desire to provide effective instruction and hands-on training, invested and provided KLMA Phils. with state-of-the-art facilities among other are (1) Full mission Bridge Simulator for SSBT and BRTM, (2) Full mission Engine Room Simulator for ERS Course, (3) ECDIS system which is the 1st to be certified by Class NK, Japan along with SSBT course; (4) Galley Laboratory and (5) the only training center in Southeast Asia with an actual Kawasaki-MAN B&W S46-80MC-C Marine Diesel Main Engine, housed in a 4-storey equivalent building, for practical overhauling training use.

KLMA Phils, a **Philippine-Japan Maritime Consultative Council (PJMCC) and International Mariners Management Association of Japan (IMMAJ) Foundation, Inc.** partner training center *and custodian and overseer of its full mission LNG Carrier Cargo Handling Simulator*, is the only training center authorized to design, develop and deliver simulator-based LNG Carrier Cargo Handling training programs for Filipino Seafarers boarding Japanese vessels

KLMA Phils, with its commitment to provide the highest quality and globally competitive training, education, & development services and continue to add value to its stakeholders, has maintained an ISO 9001:2015 compliant Quality Management System accredited by Class NK, Japan.
