

COMPANY PROFILE

"K" Line Auto Solutions (KLAS), was formed in 2017 primarily to provide skilled and expert Manpower for modern types of logistics services including handling, storage and pre-delivery inspection for completed vehicles (complete Built-Up – CBU) of partner international brands when their shipments arrive in the Philippines.

Currently, they are providing all the competent blue collar workers for "K" Line Auto Logistics, Inc.'s (KALP) Pre-Delivery Inspection facilities and yard. KALP is a company established also in 2017 primarily to serve as auto logistics provider in offering brokerage, full Pre-Delivery Inspection services and facilities including storage, distribution and related functions of car manufacturers in the Philippines.

KLAS is a proud member of Rayomar Management Inc.'s group of companies. Rayomar, one of the country's progressive investment and management entity since 1980, has operation and ownership of several companies involved in shipping, crewing, logistics, freight forwarding and international trading.

KLAS is founded, headed and manned by people with strong sense of commitment, professionalism, and corporate intelligence - sharing a passion in delivering exceptional services for it's clientele.
