Mission

To provide high quality health care services to "K" Line seafarers by giving them access to an efficient and comprehensive Pre-Employment Medical Examination or PEME.

Vision

To establish "K" Line Clinic as one of the best clinical institution in the Philippines which focuses on the health concerns of seafarers.

COMPANY PROFILE

K LINE CLINIC is a DOH Accredited Medical Facility Licensed in May, 2008. It is located at 2nd Flr., K Line Bldg., Coral Way Drive, Macapagal Blvd., Pasay City with Telephone no. 5562956.

The clinic is designed for Pre-employment Medical Examination of Seafarers with the mission to provide high quality healthcare services for seafarers by enabling them access to an unbiased, efficient and comprehensive screening.

The clinic is owned by Rayomar Metro Services, Inc., a subsidiary of Rayomar Group of Companies, a Filipino private corporation, with Mr. Jose Ramon R. Garcia as President, Mr. Ramon L. Caballero as General Manager and Dr. Maria Luisa M. Sanchez as Medical Director.

It is the goal of the Institution to provide quality services to seafarers and implement and continuously improve the quality management system.

The clinic staff are all well experienced in the field of medical services. The medical team and affiliated subspecialist consultants are trained here and abroad with an active practice in some of the best institutions in Metro Manila.

K LINE CLINIC has a secondary clinical and Drug Testing Laboratory, a Radiologic Facility which includes X-ray and Ultrasound section, Dental, Optical, ECG and Audiometry facility.

Equipment are top of the line in Imaging Technology the, Shimadzu company which provided the Digital X-ray RADspeed DR- 701C Fit.

Ultrasound unit is by ALOKA-HITACHI. A 12 channel ECG Machine by NIHON KOHDEN CardiofaxM 2350 and Audiometry by Interacoustics AS608.

The Laboratory is equipped with a fully automated SELECTRA blood chemistry machine and Hematology Machine by Swelab of Sweden. The Serological Testing uses ELISA principle via Monolisa.

K LINE CLINIC is proud to have a facility at par with some of the best clinical institutions in the country.

Almost all areas are provided with computer units and in the process of implementing a computerized patient profile management system where data and record capabilities feature a variety of processes and easy retrieval of information.

The facility is ISO 9001:2008 Certified since July, 2009 by SGS UKAS.

QUALITY POLICY

It is the policy of “K” Line Clinic to provide the highest quality of medical and health care services to its clients, the “K” Line seafarers.
