

COMPANY PROFILE

RAYOMAR METRO SERVICES, INC. (RMSI) is a member of Rayomar Management Inc.'s group of companies. Rayomar, one of the country's progressive investment and management entity since 1980, has operation and ownership of several companies involved in shipping, crewing, logistics, freight forwarding and international trading.

RMSI was established in 2008 to undertake building administration, technical repairs & maintenance services. It's current services include building management, repairs & maintenance services; air-conditioning preventive maintenance, electrical, plumbing & civil repair works, and renovation/refurbishment works. Other services in the offering include Facilities Management services, Tenancy Management services, Construction and Fit-out services.

Under its wing is a Clinic, a DOH, POEA, MARINA accredited company that services the medical testing requirements of seafarers for various sea-going vessels, enabling them access to an unbiased, efficient and comprehensive medical screening.

It has its own laboratory, drug testing & a Radiologic facility which includes X-ray and Ultrasound section, Dental, Optical, ECG and Audiometry facility & has a network of affiliate specialist physicians. The Clinic staff are all well experienced in the field of medical services.

The Clinic is ISO 9001:2008 Certified since July 2009 by SGS UKAS.
