Rayomar Outreach Foundation, Inc. (ROFI) is a private, non – stock, non – profit organization inspired by Yolanda R. Garcia, and officially established in 2002 by Rayomar Management, Inc. The foundation is managed by a specially – elected committee of Rayomar executives, sitting as the Board of Trustees, who voluntarily dedicate their time and effort towards achieving the foundation goals.

Our vision is a poverty – free Philippine society.

Our mission is to improve, uplift, and sustain the quality of life of less fortunate individuals in needy sectors of Philippine society, with emphasis towards disadvantaged and deprived children.

With generous contributions received from the Rayomar family and from our partners, ROFI has provided opportunities to deserving underprivileged children for a decent education. This enables the Filipino child to reach his full potential to become a productive citizen of our society.

Through the years, we have reached out to different communities with the following projects:

- Educational needs of underprivileged children in primary, secondary and college levels
- Feeding, medical and dental missions in depressed communities
- Reading enhancement kits (ALPABASA) for kindergarten and Grade 1 pupils in public schools
- Disaster relief operations
- Yolanda rehabilitation projects like providing housing units and fishing boats
